***This** are my great-grandparents- my mothers' grandparents. They live in the middle of the last century. They were lovely people. My great-grandfather works in a car factory and he ownd a car when most people didn't know about them. My great-grandmother was very beautiful when she were a girl. She married my great-grandfather when she was only 17. She didn't work, she stays at home and looked after the children. My great-grandfather stoped work when he was 65, then every day they walked to the park and my great-grandmother always carries a little bag with sandwiches for their lunch. She died in 1983, when she was only 73, and after three months my great-grandfather dieed too — he didn't want to live without her.*
